ABOUT US

Scott Christian University was established in 1962 as the national theological College of the Africa Inland Church Kenya to provide training for church ministries at an advanced academic level. Scott Christian University was named in memory of Peter Cameron Scott who led the African Inland Mission in Kenya in 1895 which developed Africa Inland Church as one of its ministries.

Scott grew and progressively upgraded its academic standards. In 1972, the entry requirement was raised to a minimum of a Secondary School Certificate, Level Three. A further upgrading of standards was done in 1982 with the introduction of a Bachelor of Theology (B.Th.) whereby the programme entry requirement was raised to a university level. This development was made possible through an arrangement with Ontrario Bible College, an accredited degree granting college in Toronto, Canada. The first B.Th. Students graduated from the college in1986.

In December 1979, Scott received its accreditation from Accrediting Council for Theological Education in Africa (ACTEA) . It was the first post-secondary theological institution in Africa to receive such accreditation. In 1986, full accreditation of Scott's Bachelor of Theology degree programme was granted by ACTEA.

Scott was granted a charter by the Government of Kenya in 1997 after reworking on its academic programs and operations. Its Bachelor of Theology degree was accredited by Commission for University Education as a university level degree at the same time. The institution was granted permission to change its name to Scott Christian University by the Commission for University Education (CHE) on March 23, 2012.
Scott Christian University has subsequently expanded its academic offering to enhance a greater scope of service and ministry for transformation of the society. The University currently has three schools which include; School of Theology, School of Professional Studies and School of Education.

VICE CHANCELLOR'S ADDRESS

Prof. Morompi Ole-Ronkei, PhD, EBS

Under the theme "Leveraging Technologies for Inclusive and Sustainable Development," I welcome you to this 58th graduation of Scott Christian University.

The day belongs to the graduating class of 2023. And indeed, you deserve to be the center of attention. You have toiled and labored for many years. Today, therefore, is your day to shine. I congratulate you. We all join hands and salute you. Well done.

I equally wish to recognize and appreciate those who have assisted and guided you along this journey. These accolades goes first to your parents, guardians, and lecturers.

As we celebrate the graduating class of 2023, I am particularly proud of the faculty and staff of Scott Christian University. In them, I have seen faith at work. Today, I am a living witness to what the Apostle Paul said in Phillipians 4:12,

"I know what it is to be in need, and I know what it is to have plenty. I have learnt the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want."

In spite of the hard economic times, which have tested the resolved of each and everyone of them, I have witnesed their perseverance. Their faith has been tested and they have been found faithful. And it is because of their unwavering faith in the Lord Jesus Christ that we are graduating these students today.

I wish to acknowledge and appreciate the immense contribution of the leadership of this Institution; the Sponsor (AIC-Kenya), the Board of Trustees, the University Council, the University Foundation Board, the University Senate and Management, the university student leadership, as well as the Alumni Association for their steadfast support. These governing organs have stood as the pillars upon which the university stands. Thank you all for your unwavering support.

Partners:
I am honored and privileged to acknowledge the presences of my dear friend and brother, the former US Ambassador to Kenya, H.E. Ambassador Kyle McCarter, who has graciously accepted our invitation to grace this our graduation. Mr. Ambassador, welcome to Scott.

You will recall that last year, we had Lord Dr. Michael Hastings from the UK House of Lords and the year before that the Chief Justice of Kenya, Lady Justice Maratha Koome.

In all these, we have had the partnership of the Standard Media Group, who have given us elaborate coverage and positive publicity. We acknowledge their coverage of our graduation today.

Working closely with the University Foundation, we have roped in many other partners who have come to support our efforts through the annual campus to campus run. We have received support from Absa bank, Isuzu East Africa, Britam Insurance, Kenya Meat Commission, Kenya Forestry Research Institute, the County Governments of both Machakos and Makueni, sevearl AIC local churches and Mukaa Boys in Makueni that have donated their Buses for use to ferry the runners from the Konza campus back to Machakos and many individuals and well-wishers.

As Jabez prayed, "**...Oh Lord that you would bless me and enlarge my terrirory...**", *(I Chronicles 4:10)* we have equally prayed and asked the Lord to bless us and enlarge our networks, our partners, and expand and extend our local and global reach.

Dreams
In the opening line of Genesis 37:5, we read, **"Joseph had a dream."** We all know the short-term consequences of dreams. If in doubt, just ask **Joseph**. Yet, it is precisely because of the story of Joseph that we are inspired and galvanized to dream. We seek to create a new narrative for Scott.

Here at Scott, we have set our eyes to accomplish and realize a number of dreams. We have dared ourselves to higher ideals. We have started with a 50 year strategic vision for Scott. While we shall endeavor to go one-step at a time, our vision is very clear – it is for the next 50 years.

In that vision, we seek to return the Machakos campus to its former glory of a premier center of Theological excellence. We shall be known for unrivaled Center of Excellence in Theological education.

Similarly, our quest is to maximize our promixity to Konza Technopolis. Some 40 odd years ago, God, in His own wisdom, allocated Scott 100 acres next to the then unknown Konza Technopolis. There was a reason God granted Scott that strategic piece of land. Our vision is to take advantage of the proximity to Kenya's silicon savanah and establish a premier Information Communication Technology (ICT) program that will compete at the super league of university-leve ICT programs.

We have set our vision to capitalize on the impeccable reputation of AIC Kijabe Mission Hospital to establish a Health Science Campus. We shall be relentles in the pursuit of this ideal. We shall have a top-tier Medical campus in the coming years.

We dream of the day when Christian Denominations in Kenya and beyond come to Scott to bench-mark on how AIC-Kenya has, through the Ten Shillings Initiative, completely transformed how denominations engage and ultimately fund their Institutions of Higher learning. While the Ten Shillings Initiative might take time to penetrate into the fibrics of the denomination, we are determine to stay the course and ultimately have a denomination that is genuinely engaged in the affairs of its University.

Through the Ten Shillings Initiative, we aim to simultaneously transform both the church and the university.

We shall pursue these dreams with the tenacity, discipline, consistency and unwavering commitment until they are solidly anchored within the fabrics of the Institution of Scott and all who support her. We are under no illusion that these dreams will happen right away, but we are determine to firmly and correctly lay the foundation. We take **Joseph** as our role model.

Prayer
We have prayed. We are praying. And we do believe in prayer. And on the solid rock of prayer, we stand and stand firm. We shall not simultaneously believe in prayer and doubt that which we have prayed for. We challenge you to "expect the unexpected." The Lord is on our side.

Once again, congratulations to the graduating class of 2023. Go forth and conquer the world.

Thank you and God bless you!

COUNCIL CHAIRPERSON'S ADDRESS

FCPA Dr. Joe Muchekehu

Ladies and Gentlemen, Good Morning,

As the Chair of the Council, it is both an honor and a privilege to stand before you during these challenging times at Scott Christian University.

In the midst of our difficulties, in this moment as Scott Community it is often our faith that becomes a guiding light. Today, I am reminded of Joshua chapter 1, verse 9, which resonates deeply with our current situation: "Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go." Also we find solace in the words of Psalms Chapter 46 verse 1. These words, are a beacon of hope for us.

I would also like to take a moment to acknowledge the dedicated members of our staff. I am acutely aware of the challenges you have faced, including the delay in receiving your salaries. Your steadfast commitment to the university, despite these hardships, is truly commendable. Your tireless efforts and perseverance have played a pivotal role in shaping the future leaders who graduate today. I want to assure you that the university is actively working to address these issues and deeply appreciates your understanding and patience during this period.

To our Graduans, in our pursuit of knowledge and progress, we are guided by the theme of today's ceremony, "Leveraging Technologies for Inclusive and Sustainable Development." In these advancements, we find the tools to overcome obstacles and build a future that embodies strength, courage, and inclusivity.

As you, the graduates, prepare to step into a world shaped by technology, remember that your education here at Scott Christian University has equipped you not only with knowledge but with the values that reflect our commitment to positive change. BOARD OF TRUSTEES CHAIRPERSON'S ADDRESS

Rev. Dr. Paul Mbandi

Ladies and gentlemen, esteemed faculty, proud parents, and, most importantly, the graduating class of 2023, I stand before you today as the Chairman of the Board of Trustees of Scott Christian University with a heart full of gratitude and a deep sense of responsibility.

First and foremost, I want to congratulate each and every one of you on reaching this significant milestone in your academic journey. Your hard work, dedication, and resilience have brought you to this moment, and today, we celebrate your achievements and the promising future that lies ahead.

As we gather on this auspicious day, I am mindful of the challenges that our beloved institution, Scott Christian University, faces in the current financial challenges. However, let us take inspiration from the words of the ***Apostle Paul in Philippians 4:13***, which says, "I can do all things through Christ who strengthens me." In times of financial adversity, let us turn to our faith and trust in God's guidance to navigate through these challenges.

I want to encourage the Scott Christian University community to unite in prayer and purpose, remembering ***Proverbs 3:5-6***: "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight." Let us seek divine wisdom and discernment as we chart the course for the future of our institution. Furthermore, I appeal to the AIC-Kenya community, our steadfast supporters and pillars of strength. Today, I implore you to rally behind Scott Christian University during this tough financial period. Just as the body of Christ supports each member, let us support our own university. The Bible teaches us in ***Galatians 6:2***, "Carry each other's burdens, and in this way, you will fulfill the law of Christ."

To facilitate this support, I am pleased to announce a fundraise drive scheduled for the ***3rd of December, 2023***, organized by the office of the Presiding Bishop for all AIC Churches in Kenya. This is an opportunity for the entire AIC-Kenya community to come together, contribute generously, and demonstrate our commitment to the future of Scott Christian University. Your financial contributions, no matter the size, will play a crucial role in ensuring the continued success and growth of our institution.

In conclusion, we as the SCU BOT would like to encourage and beseech all the stakeholders that include senate, management board, University council, BOT, church leadership and the entire AIC community to work in unity and understanding. let us remember the words of Jesus in ***Matthew 19:26,*** "With man, this is impossible, but with God, all things are possible." As we go through this phase at Scott, let us trust in God's providence and work together to overcome these obstacles. Congratulations once again to the graduating class of 2023, and may God continue to bless Scott Christian University and the entire AIC-Kenya community. Thank you.

Rev. Dr. Paul Mbandi
Chairman
Scott Christian University Board of Trustees

SCU FOUNDATION CHAIRPERSON'S ADDRESS

IG. (RT). Dr. David Kimaiyo

Ladies and gentlemen, esteemed faculty, proud parents, distinguished guests, and, most importantly, the brilliant graduates of Scott Christian University, I am honored to stand before you today as the Chairperson of the Scott Christian University Foundation.

First and foremost, congratulations to the Class of 2023! Your hard work, dedication, and commitment have brought you to this momentous day, and we are immensely proud of each and every one of you.

As we gather here on this joyous occasion, it is also a time for reflection and anticipation. The Scott Christian University Foundation has always been committed to supporting the educational pursuits of students, and today marks not just an end but a new beginning for our graduates. I want to take a moment to express our heartfelt appreciation to all the students, staff, and faculty who participated in the Campus to Campus run event held on the 1st of September, 2023. Your enthusiasm, energy, and commitment to promoting a healthy lifestyle within our university community were truly inspiring. The success of such events is a testament to the vibrant spirit that characterizes Scott Christian University.

I encourage each and every one of you to consider this event not just as a one-time occurrence or an event to mobilize funds but as the beginning of a tradition that fosters unity, wellness, and community engagement. Let's build on this success and make the Campus to Campus run an annual celebration that brings us together, promoting both physical well-being and a sense of camaraderie.

A special note of gratitude goes out to all the sponsors of the Campus run. Your generous contributions played a pivotal role in making the event a reality. Your support not only helps in organizing such activities but also contributes directly to the foundation's mission of providing educational opportunities. We deeply appreciate your commitment to the betterment of our university community.

As we look forward to the future and the exciting initiatives that lie ahead, let us not forget the importance of coming together as a community to celebrate our achievements, big and small. The success of the Campus to Campus run is a reflection of what we can accomplish when we work together with a shared purpose.

So, on behalf of the Scott Christian University Foundation, I extend my sincere thanks to everyone involved in making the Campus to Campus run a resounding success. Let's carry this momentum forward, and I look forward to seeing even more of you signing up for next year's run. Together, we can continue to create positive experiences and lasting memories for our university community.

Looking ahead, I am excited to share our future plans for the foundation, particularly in the realm of mobilizing funds. The journey ahead is vast, and the foundation aims to expand its reach by forging meaningful partnerships, both locally and internationally. One such avenue of collaboration is through the Sponsor AIC-Kenya churches.

Our foundation recognizes the pivotal role that the AIC-Kenya churches play in the community, and we are eager to work hand in hand with them to create opportunities for education. By

establishing strong connections with the AIC-Kenya churches, we aim to mobilize resources that will enable us to support more students in their pursuit of knowledge and personal growth.

Additionally, we understand the global interconnectedness of our world, and we aspire to extend our efforts beyond borders. We plan to explore international partnerships and collaborations to enhance the foundation's fundraising initiatives. This involves engaging with individuals, organizations, and institutions that share our vision of empowering the next generation through education.

In the coming months and years, the Scott Christian University Foundation will actively seek opportunities to engage with philanthropists, businesses, and educational institutions on a global scale. By building a network of supporters who are passionate about education, we hope to create a sustainable and impactful platform for funding educational endeavors.

As we embark on this exciting journey, I want to express my gratitude to the graduates, their families, the faculty, and our partners who have been instrumental in the success of the foundation thus far. Together, we can continue to make a difference in the lives of countless students, providing them with the tools they need to build a brighter future.

In conclusion, let us celebrate the achievements of the Class of 2023 and embrace the promising future that lies ahead for the Scott Christian University Foundation. With your continued support and dedication, we can inspire positive change and transform the lives of many more aspiring individuals through the power of education.

Thank you, and congratulations once again to the graduates!

CHIEF GUEST'S ADDRESS

H.E. Ambassador Kyle McCarter

Becoming a person of value addition.

Tharaka Nithi has a sign as you enter "Welcome to Tharaka Nithi, a Haven of Value Addition" What does this mean? I know Tharaka Nithi for only a few things, for goats, honey, their temper, and the "swing vote"

I think what they mean is, take what you have and increase the value. Don't just eat the goat, tan the hide, don't just tan the hide, make a purse that is beautiful.

As I drove under the sign returning to Nairobi one day I thought, we should all be people of value addition. Wherever we go, when we leave any place, the people should be richer, more full of joy, more peaceful, full of hope, free of worry, more like Jesus. Their outlook on life should be brighter. They should be more confident that they are loved by us and by God.

Take a little inventory of where you are. What happens when you leave? Is the place better? Are the people better? Is there peace or strife? Is there joy or despair? Is there worry or confidence.

How do I become a person of "value addition"?

1. Remember why you exist.
To Serve others. To testify to the goodness of God. To bring others to Christ and His saving grace.

2. Remember who you are, where you came from and what your name is.
Proverbs 22:1 says "A good name is more desirable than great riches; to be esteemed is better than silver or gold. Your name means something. I was told by a young man once his name was McCarter – the time that McCarter fought in 1987 I once knew a girl who wanted to be in business named DoDo Dumpling. Victoria helped her change her name. There is a famous country and western son, "Boy named Sue", My wife Victoria, often reminds me that she is regal like the queen and Victorious. I spoke in a town at a new school opening in Kakamega once named the place of fools. I now refer to it as the place that wise men come from. Like with me be very careful how you act and how you treat others. You don't want someone naming their child your name because of the foolish thing you did. You don't come from just any university. You come from a university that has a great heritage, not a place where fools come from but a place where wise men and women come from. You are part of a Christian heritage at Scott University.

3. Remember what you have been given.
Radio broadcaster – Rush Linbaugh use to say he had "talent on loan from God" You have been given what most others have not been given, an education. There are a small % of people with college degrees and in addition you have been give "talent on loan from God". You have been equipped to change the world.

4. Make room for the supernatural.
Use what you have. Do the best with it. A few fish, a few loaves, in the hand of a miracle working God became an exponential display of provision. Can you imagine how that story was told by 5000 to another 5000 to another 5000. Let me tell you about this man Jesus. He is real. Let your

goal be for people to say. He or she loves us. He or she is different. He or she is here to serve not to be a self-serving politician. You should be a story of value addition.

How exciting can your life be if you make way for God's supernatural power in your life, in your job, in your family, with a lot or the little you have.

5. Do not fear.
Live the life of a good steward like in the parable of the talents. Don't bury what you have out of fear. The master was not happy at all with that man but the man that overcame fear and took a risk was honored.

6. Don't be overtaken by culture that does not adhere to the word of God.
You have to be different. Even if you don't have elders to look up to you will have to make a courageous decision to be different, not chasing wealth, position and power. But how do I become a world changer if I am not in a position of power, if I don't have resources?

7. Start with serving others wherever you are.
Put blinders on like a racehorse. In God's perfect timing He will promote you and place you in positions of greater leadership and responsibility. I am a very real example of this. Did I ever think that I would become a Politician, never, MCA, never, Senator, never, Ambassador, never. Having the honor to speak to you here today. Never. But God is good and here I am. By serving others he has promoted me to higher levels of responsibility. Promotion comes from… the Lord.

Wherever you travel in life look up and see the welcome sign, "Be a person of value addition, don't leave any place or anyone without imparting the hope that Jesus loves them and that you love them, that there is hope." With this you will have done what the master has ask, and with this he will reply, "Well done my good and faithful servant. You may enter the kingdom of God."

Now go and be different. Be different than the culture of apathy, than the culture longing for power and money, than the culture seeking only pleasure. Be courageous leaders standing up for what is right. What is honest. What is honorable. What is just. Your country needs you, your family needs you, to be a person of "value addition". Hongera. Now go and be a person of value addition!

How Great Thou Art

Oh Lord, my God
When I, in awesome wonder
Consider all the worlds Thy hands have made
I see the stars, I hear the rolling thunder
Thy power throughout the universe displayed

Then sings my soul, my Savior God to Thee
How great Thou art, how great Thou art
Then sings my soul, my Savior God to Thee
How great Thou art, how great Thou art

And when I think that God, His Son not sparing
Sent Him to die, I scarce can take it in
That on the cross, my burden gladly bearing
He bled and died to take away my sin

When Christ shall come, with shout of acclamation
And take me home, what joy shall fill my heart
Then I shall bow, in humble adoration
And then proclaim, my God, how great Thou art

University Anthem

God of wisdom, Lord God of love,
Lead Scott Family from above,
Mould her life to thy design; hold her by Thy strength, O Lord divine.

Chorus:
O Scott Family send out men, to a world lost deep in sin,
Men who heed the spirit's call, yielding Thee their lives, their all.

God of goodness, Lord God of Light, guide Scott Family in the right, yielding to Thy guiding hand, holding forth Thy truth in this our land.

God of mercy, Lord of Grace, forward lead us in our race, give us vision to obey, Thy commandments Lord from day to day.
Christ our Savior, Christ our King, all to Thee we freely bring,

Take our lives, our wills, O Lord; cleanse our every thought, our every word.

Kenya National Anthem

O God of all creation,
Bless this, our land and nation.
Justice be our shield and defender,
May we dwell in unity,
Peace and liberty.
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true.
Service be our earnest endeavor,
And our Homeland of Kenya,
Heritage of splendor,
Firm may we stand to defend.

Let all with one accord
In common bond united,
Build this our nation together,
And the glory of Kenya,
The fruit of our labor
Fill every heart with thanksgiving.

EAC Anthem

Ee Mungu twaomba ulinde
Jumuiya Afrika Mashariki
Tuwezeshe kuishi kwa amani
Tutimize na malengo yetu.

Jumuiya Yetu sote tuilinde
Tuwajibike tuimarike
Umoja wetu ni nguzo yetu
Idumu Jumuiya yetu.

Uzalendo pia mshikamano
Viwe msingi wa Umoja wetu
Natulinde Uhuru na Amani
Mila zetu na desturi zetu.

Viwandani na hata mashambani
Tufanye kazi sote kwa makini
Tujitoe kwa hali na mali
Tuijenge Jumuiya bora.
